ABC's of Cultural Understanding and Communication: National and International Adaptations

Edited by **Patricia Ruggiano Schmidt**, *Le Moyne College*
and **Claudia Finkbeiner**, *Universität Kassel*

This book is a valuable one for teacher educators and teacher education programs in the United States and Europe, since it is organized around numerous data sources. It contains national and international adaptations of the *ABC's of Cultural Understanding and Communication*. Authors for this book represent many languages and cultures and know, first hand, the socially constructed issues related to language, culture, and ethnicity.

This book promises to make a significant contribution to preparing teachers to work with families and children. It should be read by all teacher educators as well as preservice and inservice teachers. In the new millennium teachers must redefine their responsibilities to ensure that *ALL* children have the opportunity to succeed. *ABC's of Cultural Understanding and Communication: National and International Adaptations* is a perfect place to start.
