TRAINING CONTRACT FOR ONE SEMESTER OF PRACTICAL STUDIES
(UNIVERSITY OF KASSEL, MECHANICAL ENGINEERING)

(Place of training) (Student)

§ 1 Duties of the parties to the contract

(1) The place of training undertakes to

1. train the student from ________ to ________ .
2. issue a written confirmation of the duration of training and of content of practical studies.

(2) The student undertakes to

1. complete the course offered to him
2. follow the directions of the training instructor or other persons entrusted with the training, and to
3. follow the rules in force at the place of training, in particular those pertaining to safety and working hours, and to inform immediately about absence from the place of training.

§ 2 Salary

§ 3 Professional discretion

The student is obliged to observe professional discretion to the same extent as those employed at the place of training. The preparation of reports for studying purposes represents no conflict with this obligation. As far as the reports contain facts which are subject to professional discretion the publication of these facts requires consent of the place of training.

§ 4 Cancellation of the contract

The contract can be cancelled by both sides without notice if there is sufficient reason for doing so.
