

Information for Authors/Speakers

The programme and scientific committee would like to cordially invite you to the 20th OEConference which will take place in Kassel again.

You are welcome to take an active part with a lecture so we can design an interesting programme around the topic area of odour and emissions.

■ Conference Topics

The following topics will be covered, with the focus on odour and emissions:

- Automotive industry (cars, transport vehicle, caravans etc.)
- Interior rooms (living and office rooms, public buildings etc.)
- Home textiles (flooring, wall paper, furniture, etc.)
- Medical devices (disposable material, packing etc.)
- Packaging (foodstuff packaging, beverage packaging, water pipes, etc.)
- Consumer products (toys, electronic devices etc.)
- Measuring instruments (for evaluation of odours and emissions)

■ Submission Instruction

The authors are invited to submit an extended abstract on mentioned topics and to further focuses to the conference office of the institute for polymer engineering.

All abstracts submitted in time used as a basis of selection of the presentations through the Programme Committee. The selection is made regard to the content, preparation and timeliness as well as relevance to the topics.

After the Conference it will be possible to publish the contribution. This contribution will previously have evaluated and then reported in a publication series of the Institute of Material Engineering (with ISBN number)

■ Each abstract should include the following information:

- Title of lecture
- Specify assignment to focuses of the Conference or other topic
- Important keywords of the lecture
- Topicality
- Abstract no more than one page
- Name of the speaker/author and the name of the co-authors

- Organization / company / institution (if possible)
- Postal address
- Phone and fax numbers
- E-mail address

▪ **The Abstract should be submitted via mail to:**

susanne.wolff@uni-kassel.de

▪ **Language**

The language of the conference is English and German. For lecture and discussion simultaneous translation German/English and English/German will be provided. Abstract and slides of the lecture should take in English.

▪ **Key Dates and Deadlines**

Submission of abstract	27 October 2017
Notification of acceptance	10 November 2017
Submission of printable abstract and slides	16 February 2018
Preparing for publication series	after Conference

▪ **Registration and Conference Office**

Universität Kassel
Institut für Werkstofftechnik – Kunststofftechnik
Mönchebergstr. 3
34109 Kassel
Fax: +49 561 804-3672
