

POWER AND ENERGY STUDENT SUMMIT 2021

25 - 26 November 2021
Online Conference

DAY 1

8:30

Welcome & Opening Speech

Universität Kassel & Fraunhofer IEE,
Martin Braun

9:00

Keynote Session I

System operation challenges on our common
journey towards a green power system
50Hertz, Anne-Katrin Marten

9:30

Interactive Presentation

Thinking energy transition on a European level
50Hertz, David Schönheit

10:00 BREAK

10:15

Paper Session

Grid Planning and Energy management
Power Quality, Power Distribution System,
Storage

12:00 BREAK

13:00

Keynote Session II

New Tasks for Grid Calculations in
Distribution Systems
EAM Netz, Kai Boldt

13:30

Paper Session

Grid Operation - I
Operation, Converter and Control

15:15 BREAK

15:30

Virtual Visit

EAM Control Center
EAM Netz, Timm Eberwein

16:00

Socializing I

Work adventure tour
Young Energy Net

DAY 2

9:00

Keynote Session III

Smart Infrastructure in 2030 – Planning
Urban Energy System
SIEMENS, Ben Gemsjäger

9:30

Paper Session

Grid Operation - IIa
Restoration, Short-circuit/Fault, and Protection

10:30 BREAK

10:45

Paper Session

Grid Operation - IIb
Restoration, Short-circuit/Fault, and Protection

11:30

Socializing II

Siemens Break Out Sessions
SIEMENS, Ben Gemsjäger

12:00 BREAK

13:00

Paper Session

High Voltage Engineering & Cross-Cutting
Modelling and Simulation

14:45 BREAK

15:00

Highlights Fraunhofer

Fraunhofer IEE

15:30

Award Ceremony & Closing Speech

Young Energy Net & Universität Kassel

Sponsors:

SIEMENS
