

Friday, August 30th, 2019, 10:30 am – 12:00 noon

Seminar Room 2004, Georg-Forster-Straße 4
Open Track I
Academics: Roles, Expectations, and Satisfaction
Chair: Heather Eggins
Backgrounds and Resources of Finnish Doctoral Students Hanna Nori, Arto Pauli Johannes Jauhiainen
Determinants of Personal and Professional Satisfaction with Doctoral Supervision. A Study of Two Flagship East Asian Universities Hugo Duarte Horta, Marco Seeber
Moving Abroad While Doing a PhD in STEM Fields at Chinese Universities: Impact on Knowledge Creation and Networking Mattia Cattaneo, Hugo Duarte Horta, Sebastian Birolini, Stefano Paleari, Wenqin Shen

Chair

Heather Eggins (Staffordshire University, United Kingdom)

Heather Eggins is Visiting Professor at Staffordshire University, UK, and a Fellow Commoner of Lucy Cavendish College, University of Cambridge.

Speakers

Sebastian Birolini (University of Bergamo, Italy)

Sebastian Birolini is a PhD Student at the University of Bergamo. He received both BS and MS degree in Management Engineering from the University of Bergamo in 2017 and 2015. His international experience includes programs and visiting periods at the Institute of Systems and Engineering (ISyE) at Georgia Tech and at the Responsive Environments and Artifacts Lab (REAL) at Harvard GSD. His current research focuses on the optimization and modelling of real-world networks, including transportation and social networks.

Mattia Cattaneo (University of Bergamo, Italy)

Mattia Cattaneo is Assistant Professor at the Department of Management, Information and Production Engineering of the University of Bergamo (Italy) and Senior Research Fellow at the IN+ Center for Innovation, Technology and Policy Research (Portugal). Scientific coordinator of the ICCSAI (International Center for Competitiveness Studies in the Aviation Industry) and member of the Higher Education Research group (HERE). His main research interests include human capital mobility and transportation science. He is author of articles in journals such as Research Policy, Studies in Higher Education, Regional Studies, Transportation Research Part A: Policy and Practice, Transport Policy and Stata Journal.

Hugo Duarte Horta (The University of Hong Kong, Hong Kong S.A.R. (China))

Hugo Horta is Assistant Professor in the Division of Policy, Administration and Social Sciences Education, Faculty of Education, University of Hong Kong.

Arto Pauli Johannes Jauhiainen (University of Turku, Finland)

Arto Jauhiainen is a professor at the Centre for Research on Lifelong Learning and Education (CELE) and the Department of Education, University of Turku. His current research interests include sociology of higher education, higher education policy, doctoral education and academic work.

Hanna Nori (University of Turku, Finland)

Hanna Nori, PhD, is a university researcher at the Centre for Research on Lifelong Learning and Education (CELE) and the Department of Education, University of Turku. She works also in the Unit for University Pedagogy and co-ordinates pedagogical studies. Her research interests are in the field of sociology of education, especially equality, selection and access to higher education.

Stefano Paleari (University of Bergamo, Italy)

Stefano Paleari is Full Professor of Corporate Finance at the University of Bergamo, and former Board Member of the EUA (European University Association). From March 2006, he is Scientific Director of the ICCSAI (International Center for Competitiveness Studies in the Aviation Industry). From 2009 to 2015, he was the Rector of the University of Bergamo. From 2013 to 2015 he was President of the CRUI (the Italian Council of the Rectors of Italian Universities). In 2015 he was awarded the honorary title of Grand Officer of the Italian Republic for merit acquired by the nation in the science field.

Marco Seeber (Ghent University, Belgium)

Marco Seeber is postdoctoral research and CHEGG, Center on Higher Education Governance, Ghent University.

Wenqin Shen (Peking University, P.R. China)

Wenqin Shen did the PhD in education at Peking University in 2008, and he is currently working as an associate professor at the Graduate School of Education of Peking University. He has been publishing internationally in the field of higher education on topics related to doctoral education, supervision and mobility.
