| Translating the Entrepreneurial University in Low Income Environments: The Case of Universidade Eduardo Mondlane and Addis Ababa University Akiiki Babyesiza |

Chair

Soo Jeung Lee (Sejong University, South Korea)

Dr. Lee is an assistant professor in the department of Education, Sejong University. She was awarded a research fellowship of the Alexander von Humboldt Foundation in 2014. Her research interests are university and labor market, graduate school, university/research evaluation, and social contribution of higher education. She has published in international journals like Higher Education, Studies in Higher Education, Journal of technology transfer and Scientometrics.

Speakers

Akiiki Babyesiza (Higher Education Research & Consulting, Germany)

Akiiki Babyesiza is an independent higher education researcher with a focus on higher education in Sub-Saharan Africa. After studying African Studies at the University of Cologne she worked for the German Academic Exchange Service in the field of development cooperation. Since concluding her PhD studies at the University of Kassel on university governance in Sudan, she has been conducting higher education research projects for the University of Bayreuth, the Robert Bosch Academy and CHE Consult – Centre for Higher Education.

Siri B. Borlaug (Nordic Institute for Studies in Innovation, Research and Education (NIFU), Norway)

Siri B. Borlaug is a senior researcher and deputy head of research at NIFU.

Jens Jungblut (University of Oslo, Norway)

Jens Jungblut works as an Associate Professor for Public Policy and Public Administration at the Department of Political Science at the University of Oslo. Jens has been a postdoctoral research fellow at Stanford University and INCHER Kassel. He holds a PhD from the Department of Education at the University of Oslo.

Torger Möller (German Centre for Higher Education Research and Science Studies (DZHW), Germany)

Dr. Torger Möller has been working as a sociologist in the field of science studies, research evaluation, governance and bibliometrics. He is senior researcher at the German Centre for Higher Education Research and Science Studies (DZHW) in Berlin.

Nörg Neufeld (German Centre for Higher Education Research and Science Studies (DZHW), Germany)

Jörg Neufeld specializes in survey-based analysis and worked since 2007 on several evaluation projects on research funding and governance at German Centre for Higher Education Research and Science Studies (DZHW) in Berlin.

Ingvild Reymert (Nordic Institute for Studies in Innovation, Research and Education (NIFU), Norway)
Ingvild Reymert, researcher at NIFU since 2014 and a PhD candidate at NIFU and the University of Oslo. She is currently a Visiting Scholar Researcher at Stanford University.
