Chair:

Jeroen Huisman (Centre for Higher Education Governance Ghent (CHEGG), Belgium)

Jeroen Huisman is professor of Higher Education at CHEGG. He holds a Master's degree Educational Studies, University of Groningen, the Netherlands (1991) and a PhD in Public Administration of the University of Twente, the Netherlands (1995). In 2005, he was appointed professor of Higher Education Management at the University of Bath. In 2013, he was granted an FWO Odysseus project at Ghent University.

He is editor of Higher Education Policy, co-editor of the SRHE/Routledge book series and co-editor of the Emerald series Theory and Method in Higher Education Research. He is furthermore member of the editorial board of Journal of Studies of International Education, Studies in Higher Education, European Journal of Higher Education, Higher Education Research & Development, International Journal of Chinese Education and Tertiary Education and Management. He was member of the Executive Committee of EAIR (2007-2017, and past chair, 2011-2016), a European society for linking policy, research and practice in higher education. He was recently appointed member of the General Board of the Accreditation Organisation of the Netherlands and Flanders (NVAO).
