Chair

Pedro Nuno Teixeira (University of Porto/Centre for Research in Higher Education Policies (CIPES), Portugal)

Pedro N. Teixeira is a director of CIPES - Centre for Research in Higher Education Policies, Associate professor of School of Economics of University of Porto. His main research interests focus on the economics of higher education and the history of economic ideas.

Speakers

Giacomo Balduzzi (University of Pavia, Italy)

Giacomo Balduzzi is post-doctoral fellow at the Department of Political and Social Sciences - University of Pavia. He collaborates with the Centre for Study and Research on Higher Education Systems (CIRSIS).

Ksenia Romanenko (National Research University Higher School of Economics, Russia)

Ksenia Romanenko, junior research fellow, Laboratory for University Development, Institute of Education, National Research University "Higher School of Economics".

Michele Rostan (University of Pavia, Italy)

Michele Rostan is Full Professor of Economic Sociology and Director of the Centre for Study and Research on Higher Education Systems (CIRSIS) at the University of Pavia, Italy, where he is also Rector's Delegate for Student Affairs.

Ekaterina Shibanova (National Research University Higher School of Economics, Russia)

Ekaterina Shibanova, junior research fellow, Laboratory for University Development, Institute of Education, National Research University "Higher School of Economics".

Sae Shimauchi (Tokyo Metropolitan University, Japan)

Dr. Sae Shimauchi is an Associate Professor at Tokyo Metropolitan University, International Center. She completed her Ph.D. at Waseda University and previously worked as postdoctoral research fellow for Japan Society for the Promotion of Science and an Assistant Professor at The Institute of Asia-Pacific Studies, Waseda University. Her research interests lie in the area of internationalization of higher education, sociolinguistics, international studies and global sociology, ranging from theory to practices. Her recent work includes *Paradigm Shift on International Student Mobility in East Asia* (Toshindo, 2016) and "English-medium Instruction in the Internationalization of Higher Education in Japan: Rationales and Issues" (*Educational Studies in Japan*, 2018).

Jorrit Snijder (University College Roosevelt, The Netherlands)

Dr. Jorrit Snijder is the Managing Director of University College Roosevelt and as such a member of its Executive Board (Raad van Bestuur). He is responsible for the business context of UCR including finances, personnel, communications, student office, facilities and ICT. Before starting at UCR in 2008, Jorrit worked for the Dutch and Flemish Accreditation Organization (NVAO), the economic consultancy firm APE, and Leiden University's The Hague Campus. He obtained his Ph.D. on Higher Education Policy at the University of Twente.

Don F. Westerheijden (University of Twente, The Netherlands)

Dr. Don F. Westerheijden is senior research associate at the Center for Higher Education Policy Studies (CHEPS, www.utwente.nl/cheps) of the University of Twente, the Netherlands, where he co-ordinates research on quality management and is involved in the co-ordination and supervision of Ph.D. students. Don mostly studies quality assurance and accreditation in higher education, its impacts, as well as university rankings. He edited and contributed to books on quality assessment in higher education, and (co-)authored a large number of articles on the topic. Evaluation of higher education policies is another of his research interests.

Akiyoshi Yonezawa (Tohoku University, Japan)

Dr. Akiyoshi Yonezawa is Professor and Vice-Director, International Strategy Office, Tohoku University. From April 2016 to June 2018, he served as the director of the Office of Institutional Research at Tohoku University. With a background in sociology, he mainly conducts research on comparative higher education policy – especially focusing on world-class universities, internationalization of higher education, and public-private relationships in higher education. He established his expertise in higher education policy and management through working experience at universities and public organisations such as Nagoya University, OECD, and the University of Tokyo. He is a board member at Japan Association for Higher Education Research. He is a co-editor of Book Series Higher Education in Asia: Quality, Excellence and Governance series (Springer Book Series).
