

Course Information: Evolutionary Game Theory

Language

English

Credits

3 ECTS

Lecture

The course takes place each monday at 10:00am via Zoom. Therefore, I kindly request all students to familiarize themselves with Zoom in order to attend classes.

Examination

Take-home Exam.

Exam:

Time and Date:

The exam takes place on the last Tuesday of the respective semester. The exam comprises all topics discussed in the seminar. Students are expected to be able to apply concepts of evolutionary game theory to solve economic problems. The exam is an open-book exam and thus allows you to take notes, texts or resource materials into the exam.
