

1. Generelle Informationen:

Sehr geehrte Doktorandinnen und Doktoranden des Fachbereichs 07,

im Zuge der Förderung unserer Graduiertenausbildung haben wir für unseren Fachbereich eine CARMA-Lizenz erworben. CARMA ermöglicht Ihnen den Zugang zu über 200 On-Demand-Videokursen zu verschiedenen Forschungsmethoden. Vertiefen Sie sich in die Vielfalt der Forschungsmethoden, wie z.B. Netzwerkanalyse oder Strukturgleichungsmodelle. Aktuell (Stand Dezember 2023) stehen 236 Videos zu verschiedenen Forschungsmethoden zur Verfügung.

Darüber hinaus gibt es ein vorgefertigtes Curriculum, das verschiedene Videokurse zu einem umfassenden Doktoranden-Ausbildungsprogramm kombiniert: das Research Methods Education Program (RMEP) (<https://carmattu.com/rmep/>).
