

Physikalisches Kolloquium

Thursday, 16:15

Due to the Corona pandemic the Physical Colloquium will take place digitally
All of you interested in physics are cordially invited!

- 12.11.20** *SMolBits Colloquium*
Prof. Dr. Rainer Blatt, Universität Innsbruck,
Institute for Experimental Physics, Austria
The Quantum Way of Doing Computations
- 28.01.21** *Introductory Talk*
Dr. Markus Ilchen, Experimentalphysik IV, Universität Kassel
*Dichroic and Asymmetric Matter Interaction with Free-Electron
Laser Pulses*
- 11.02.21** **Dr. Jochen Mikosch**, Max-Born-Institut, Berlin
*Structural Molecular Dynamics Studied with Intense Laser Fields
and XUV Pulses*
