course Wiz start 11.4., Goe 17.4.; Witzhausen end 14.7., Goe 21.7.																													
A04	Livestock reproduction physiology	Hölker/Blaschka	Goe	HS 0.113																									
I21M	From conceptualization to communication (former: Multidisc. Research)	Schlecht	Goe	L09																									
Agr.0086	World agricultural markets and trade	Brümmer	Goe	ZHG002																									
	Tutorial	Brümmer	Goe	ZHG001																									
Agr.0118	Applied Microeconomics	Yu	Goe	MZG11.111																									
Agr.0148	Policy analysis of international agri-environmental schemes	Wollni	Goe	VG 2.104																									
WWI-VWL.0006	Econometrics I - lecture	Herwartz	Goe	ZHG102																									
	Practicals	Herwartz	Goe	ZHG102																									
	Tutorials (choose only one)	Herwartz	Goe	is rooms chose one																									
WWI-VWL.0096	Essentials of Global Health	Vollmer	Goe	Waldweg 0.203																									
E12M	Quantitative research methods in rural develop. economics	Debela	Goe	103, WisoRZ 6.111																									
E14	Evaluation of rural develop. projects and policies	Debela	Goe																										
E18	Organization of food supply chains	Hüttel	Goe	NZ 0.603, VG 1.103																									
E19	Market integration and price transmission	von Cramon	Goe	ZHG002, VG 1.101																									
E24	Topics in rural develop. economics	Wollni	Goe	VG 2.101																									
E37	Agricultural policy analysis	von Cramon-Taubad	Goe																										
E40	Agriculture, Environment and Development	Wollni	Goe	§ 3.104, VG 0.110																									
E42	Agriculture, Nutrition and Sustainable food systems	Colen	Goe	§ 2.101, VG 4.101																									
Agr.0056	Plant breeding methodology and genetic resources	Link	Goe	L04, L02																									
Agr.0174	Plant Health Management in Tropical Crops	Rostas	Goe																										
FES.321	Ecopedology of the tropics and subtropics	Veldkamp	Goe																										
P10	Tropical agro-ecosystem function	Kühne	Goe	L318																									
P16M	Crop modelling for risk management	Roetter	Goe	L318																									
P19M	Experimental techniques in tropical agronomy	Kühne	Goe	L318																									
A07	Unconventional livestock and wildlife	Hülsebusch	Wiz	S1																									
A13M	Livestock-based sustainable landuse	Schlecht	Wiz	H1																									
A14	Organic livestock farming under temperate conditions	Krieger	Wiz	H3																									
A16	Livestock breeding programs	Rößler	Wiz	H33																									
A17	Digitilisation in livestock systems	Addo	Wiz	H2																									
E05M	Marketing research	Zander	Wiz	H23
