Prof. Dr. Bettina König, Tanja Verena Matheis, Dr. Evans Kissi

*The modules “Management and Management Accounting” and
“Responsible and sustainable food business in global contexts”*

invite you to a an excursion on the topic of

***“ Local value chains, food processing, tourism and regional development -
Schinkels Brauerei”***

Guide: Sarah Schinkels, Schinkels Brauhaus

Date: Tuesday 30 January 2024

Time: 15:00

Language: English

Venue: Am Sande 9, 37213 Witzenhausen

Background

Sarah Schinkels will introduce the students to the concept of Schinkels brewery, providing insights into how to set up and develop local and regional supply chains with small and medium sized farmers and artisan food processors for gastronomy and brewing.
