

Sunday, 12/May/2024

13:00	Workshop on Microscopy applied to Clinker and Concrete
17:00	Break
18:00	Pre-registration and Ice Breaker

Monday, 13/May/2024

08:30	Registration
09:00	Opening
09:20	<i>Plenary Talk: A brief history of light microscopy applied to Portland cement clinker</i>
09:50	<i>Session 1: Advances in X-Ray Microscopy</i>
10:30	Coffee Break
11:00	<i>Session 2: Durability / Aging of Concrete</i>
12:00	<i>Exhibitors, sponsors, and poster presentations</i>
12:30	Lunch Break
13:30	<i>Session 3: Combined Methods in Microscopy</i>
14:50	Coffee Break
15:20	<i>Session 4: New Methods in Electron Microscopy</i>
16:20	Break
19:00	Get Together

Tuesday, 14/May/2024

08:30	<i>Session 5: Sustainable Binders & Cementitious Systems</i>
10:10	Coffee Break
10:40	<i>Session 6: Additives and Admixtures</i>
11:20	<i>Introduction to Excursion "Herkules & Löwenburg"</i>
12:15	Lunch Break
13:20	Departure Excursion "Herkules & Löwenburg"
17:30	Conference Dinner

Wednesday, 15/May/2024

08:30	<i>Plenary Talk: Novel materials for reinforcement – From application to in-depth characterization</i>
09:00	<i>Session 7: Image Analysis and Machine Learning in Microscopy</i>
09:40	Coffee Break
10:10	<i>Session 8: Sustainability</i>
10:50	<i>Session 9: Mixed Session</i>
12:10	Announcement of the 20th EMABM
12:20	Lunch Break
13:20	End
