

A 2-day long workshop on RMG sector concludes at University of Dhaka

A two-day long workshop on 'Sustainability Related Capacity Building for the Mid-Level Managers of the RMG Sector' concluded today 29 June, 2019 at the Center for Advanced Research on Sciences (CARS) of Dhaka University. This workshop was jointly organized by Dhaka University Criminology Department, Kassel University of Germany and International Centre for Development and Decent Work (ICDD).

Prof. Dr. Zia Rahman, Chairperson of Dhaka University Criminology Department, Prof. Dr. Christoph Scherrer of Kassel University, Germany and some DU teachers presented key-note papers at different sessions of the workshop.

Earlier the Department of Criminology of Dhaka University and Kassel University of Germany jointly conducted a research on the Ready Made Garments sector of Bangladesh. On the basis of the results of this research this 2-day long workshop was arranged at Dhaka University for the mid-level managers of garments sectors.
