

DALTON2013 Personal Licence Agreement

DALTON2013 is an experimental suite of codes for the calculation of molecular properties: DALTON, LSDALTON, and utility programs.

A personal licence to DALTON2013 means that you and your research group may use and modify the DALTON2013 programs subject to the terms given below. This agreement applies to all revisions of the DALTON2013 release. In the following all references to DALTON2013 refer to all parts of DALTON2013, that is, all files in the distribution as well as generated object files and executables.

In order to obtain and use DALTON2013, you are required to agree to the following terms:

1. Copyright for the source code and the documentation rests with the authors (see <http://daltonprogram.org>) and is not being placed in the public domain.
 - (a) You are required to make sure that no part of DALTON2013 (including executables and object files) is distributed to users outside your research group. In particular, no person leaving your research group may take a copy of DALTON2013 with him/her, unless that person has obtained his/her own licence.
 - (b) You will make sure that no part of DALTON2013 can be accessed by people not included in this licence. When you stop using a computer you will make sure that all DALTON2013 files, including object files and executables, are deleted on that computer.
 - (c) You will delete all copies of DALTON2013 when it has ended its useful life.
 - (d) You may modify a DALTON2013 program for your own use, provided you state that you have used a modified version of DALTON2013 together with the appropriate reference to DALTON2013 given below.
 - (e) You may not include DALTON2013 source codes, in whole or in part, in any program code you distribute to other users, whether they have a DALTON2013 licence or not, without the specific written consent of the DALTON2013 authors or their representatives.
Contact e-mail address: DALTON2013-licence@dirac.chem.sdu.dk
2. No fee may be charged for the use of the DALTON2013 programs or any part of the programs.
3. You accept that the experimental nature of the DALTON2013 programs means that there is no warranty of correctness of results nor fitness for a particular purpose. You understand that the authors of DALTON2013 cannot be held responsible in any way for any consequences arising from the use of a DALTON2013 program. While every attempt will be made to correct any errors reported to the Dalton Forum (<http://daltonprogram.org/forum>), the authors of DALTON2013 are not obliged to make such corrections, nor is there any support for users implied by making the programs available.
4. Any published work arising from use of a DALTON2013 program must acknowledge that program. The appropriate citations can be found on <http://daltonprogram.org>.
5. You will see to that other members of your research group using DALTON2013 abide to these terms.

I have read and agree to the terms for the use of the DALTON2013 suite of programs.
