Hi!

how are you? i have a couple of questions to ask you and perhaps we can do this via email because i don't have time on tuesday mornings for the office hour due to my hockey lessons 😊 First, I wanted to kindly ask you which chapters you have covered on Monday and if we have got any hoemwork? and 2nd: I am curently working on the essay we have to hand in next week. I was wondering whether I should perhaps put more emphasis on Krashen's |work, his model of second language aquisitoin seems really interesting. What do you think??

Thx a lot for your help! 😊

See you around :-))

Anna
