The current version of the Kassel University Library's user regulations applies as a superordinate regulation

1. The Kassel University Library provides users with lockers of various sizes for permanent use in building section B, 2nd floor of the campus library. These can be used with the CampusCard. The applicant must be authorised to borrow items.
2. The use of a permanent locker is free of charge. An application must be submitted for use: <https://www.uni-kassel.de/ub/en/learning/the-library-as-a-place-of-learning/application-permanent-locker-use>
3. The period of use is a minimum of four weeks and a maximum of twelve weeks. Renewal of use within the maximum period is possible. As a rule, it is not possible to re-book.
4. Only one locker of the Campus Library or the CampusCentre can be used at a time.
5. The lockers must be handled with care and protected from damage or soiling. Before using the locker, the user must check that it is in proper condition. The user is liable for culpable damage to the lockers due to improper use up to the full amount of the damage incurred.
6. The storage of hazardous materials and food is prohibited, as is the storage of items that are not borrowed or cannot be borrowed. The lockers are not intended for the storage of valuables.
7. The library accepts no liability for items stored in the lockers.
The University Library reserves the right to carry out random checks of the lockers in order to ensure compliance with the terms of use and to prevent misuse.
If a user repeatedly violates these rules, the library is authorised to withdraw the user's authorisation to use the lockers even before the deadline has expired.
8. Once the period of use has expired, the locker can no longer be opened. Any locker contents will be deposited at the security desk for a period of one week and then forwarded to the university's lost property office.
