The Information Service Research, International, Transfer - FIT provides you with targeted and tailored information on research funding. Use your e-mail address to register in FIT and create an individual user profile: You determine the scientific fields, types of funding as well as funding bodies about which you would like to receive information. At a time of your choice, you will receive an e-mail with the current funding information that is important to you. If you need additional information, you can search our database at any time.

Please note that most of the articles and the menu language of FIT are in German!

To make your search easier, an additional filter function allows you to sort the entries

- by creation date,
- by expiration date,

Coordination: Carolin Schwarz
If you are using FIT for the first time, registration is required before you can log in for the first time. This is done at: fit.uniks.de

1. On the login page of the newsletter click on: „Neuer Benutzer? Registrieren“.

2. A registration mask will open in the following. Please enter the e-mail address of your institution, first and last name and choose a secure password.

3. You will then be redirected to the privacy policy, which you must confirm in order to proceed with registration.

4. Finally, we need some personal information, as well as your preferences for the newsletter.

   It is not possible to register with a private email-address.

   Please select from the list of institutions the one through which you received your access authorization.

With your "newsletter data" you individually determine when and which information you would like to receive. Please choose here

- your preferred categories
- your favourite subjects
- your preferred days on which you would like to receive the newsletter.

After logging in to our website, you will be taken directly to the newsletter homepage: Here you will get a quick overview of relevant funding information:

- The latest 14 articles
- The next 14 deadlines
- Your bookmarks

A special feature is the bookmark bar: Highlight all articles that are of interest to you. The funding information will then be displayed directly on the homepage so you don't lose sight of it.
