Do you need more information? You may search our database specifically for further funding information.

The Information Service Research, International, Transfer - FIT provides you with targeted and tailored information on research funding. Use your e-mail address to register in FIT and create an individual user profile: You determine the scientific fields, types of funding as well as funding bodies about which you would like to receive information. At a time of your choice, you will receive an e-mail with the current funding information that is important to you. If you need additional information, you can search our database at any time.

Please note that most of the articles and the menu language of FIT are in German!

Registration

If you are using FIT for the first time, registration is required before you can log in for the first time. This is done at: fit.uniks.de

1. On the login page of the newsletter click on: „Noch kein FIT-Abo? Hier registrieren“.
2. A registration mask will open in the following. Please enter the e-mail address of your institution, first and last name and choose a secure password.

It is not possible to register with a private email-address.

3. You will then be redirected to the privacy policy, which you must confirm in order to proceed with registration.
4. You need to confirm your email address. To do so, please go to your mail program and click on the link you received from FIT. You will then be able to complete the second part of the registration process.
5. Finally, we need some personal information, as well as your preferences for the newsletter.

Please select from the list of institutions the one through which you received your access authorization.

Individual Funding Information

With your "newsletter data" you individually determine when and which information you would like to receive. Please choose here

- your preferred categories
- your favourite subjects
- your preferred days on which you would like to receive the newsletter.

FIT Homepage

After logging in to our website, you will be taken directly to the newsletter homepage: Here you will get a quick overview of relevant funding information:

- The latest 14 articles
- The next 14 deadlines
- Your bookmarks

A special feature is the bookmark bar: Highlight all articles that are of interest to you. The funding information will then be displayed directly on the homepage so you don't lose sight of it.
