

Contact data sheet

according to Corona contact and operating restrictions regulation

Event:

Date:

Time from:

till:

First name, last name	
Private address - locality	
Street, house number	
Phone number	

Please note:

This data collection is carried out for the purpose of tracing chains of infection. It is based on Art. 6 Abs. 1 UAbs. 1 c) DSGVO i. V. m. § 1 Abs. 2 Nr. 2 i.V.m. Abs. 2a) c) of „Corona-Kontakt- und Betriebsbeschränkungsverordnung (CoKoBeV)“ / § 1 Abs. 2b) d) CoKoBeV / § 4 Abs. 1 Nr. 2 b) CoKoBeV.; Art. 6 Abs. 1 UAbs.1 d), f) DSGVO. Art. 13, 15, 18 and 20 DSGVO are not applicable.

According to these settlements, contact data must be collected for teaching and examination events, for the use of workstations in libraries and for the use of exercise, IT, learning and work rooms. In the case of series events, a contact data recording must be carried out for each individual date.

It is mandatory to give contact data in order to participate in classroom events and to use the above-mentioned facilities. The data will be kept for the duration of one month from the beginning of the event in a locked cabinet, safe or similar. The data may be transferred to the public health authorities upon request. The data will be destroyed in accordance with data protection regulations by the organizer immediately after transmission or after expiry of the deadline.
